

Prayer through Blessed Luigi Maria Monti in time of pandemic

Loving and Merciful Father, You have raised up Blessed Luigi Maria Monti as the beacon of light in the night of the world. His unreserved charity made him a generous father to the sick and orphans. We humbly beseech you, through his in-tercession, help us to be 'guardians of hope in times of trial and pain', and to trust in the healing power of God. May Blessed Luigi, who in the midst of cholera epidemic, practiced charity and mercy as a way to Jesus, the divine Physician, help us to be responsible and caring to the vulnerable, the lonely, and the poor in this time of pandemic. Through his intercession, watch over all the health care workers and give us the joy of looking at Immaculate Mary, our Mother and a sure star of hope for our journey. Amen!
